Studio Policy

Effective 1st of July 2021.

Lesson Duration

A standard lesson is for 30 minutes. However, I do offer 1 hour lessons for students who need extra time or are preparing for an exam or performance. I also offer shorter lessons for the very young or for special circumstances at my discretion (please enquire with me).

I normally work to your states school terms. I will notify you if there is a change to the next term before I invoice you. I can normally take students over the school holidays (Online lessons or at the Bethanga Studio) if desired, but lesson times may vary without sufficient notice. Please enquire if you are interested.

For the first lesson, I prefer if a parent or guardian can accompany the student for the full duration of the lesson.

Lesson Materials

Face to face lessons

I normally have most of the books on hand but if I do not, I can normally get them in before your next lesson. (Please see special books later on for special orders.) You can also opt to obtain the books yourself.

Online Lessons

I will provide you with all the information for you to supply your own books. These books need to be exactly what is specified otherwise I will not be able to teach the student.

Lesson Notes

Lesson notes will be taken during the lesson in My Music Staff and you can access them after the lesson. (Please see below for full details on My Music Staff.)

Please note that I have a form of dyslexia so my spelling may be wrong from time to time. Most students do not have a problem with this, but if you or your child are having trouble understanding what needs to be done, please let me know. Also, due to dyslexia, I will from time to time check things on my phone. I will only do this when I feel it is necessary. Thank you for your understanding.

Cancellation:

If you need to cancel or change your lesson time for a one-off, I prefer to have 1 weeks notice, but please let me know as soon as you can and we can try and make other arrangements. Please note that there are extremely limited options for changes at the Thurgoona Community Centre.

Lessons paid for by the term may have a maximum of 2 makeup lessons offered for missed lessons per term. All makeup lessons must be taken before commencement of the next term. Any outstanding lessons not taken will be forfeited. Please note that all makeup lessons will be held at the Bethanga Studio or online.

I offer a free SMS reminder service that is sent 3 hours before your lesson time. Please select this option if you would like to opt in to this service and provide the phone number to which you would like this sent. This option can be turned on or off at any time.

If I need to cancel a lesson, I will endeavour to give you as much notice as possible. There will be no charge if I must cancel a lesson.

Cancellation due to illness or emergency only:

I understand that kids and adults get sick. It goes without saying that if you are too sick for school or work, you are too sick for a lesson. Please do not share those germs around, we all do not need to get sick. Please contact me if you would like to change to an online lesson while the student is unwell.

I require 30 minutes notice of lesson cancellation for you to be able to have a makeup lesson. You may either call or SMS. If I am in a lesson or do not answer my phone, please leave a message and I will get back to you as soon as I can. If I have not received some form of communication from you within 30 minutes of your lesson time, you will not receive a makeup lesson. I take special circumstances into account on a lesson by lesson basis.

Refunds:

If you have paid for the term and have to stop lessons for unforeseen circumstances, I will give you a refund at my discretion. I required written notice 2 weeks in advance stating the reason for terminating lessons. I will not accept that the student has had enough etc. as the reason. When you pay for the term, I expect a commitment for that term. If you are attending the Thurgoona Community Centre and have paid for the full term you will receive a refund at my discretion of the remaining lessons at the time of cancellation minus any incidental costs.

Termination of Lessons:

I require written notice a minimum of 2 weeks prior to the end of the term to terminate your lessons.

If you decide over the summer holidays to not return, please let me know as soon as you can. I require a minimum of 3 weeks written notice before the start of the term for you to receive a refund of your lesson deposit.

Terms and Holidays:

I work to your state's posted school holiday schedule. If you need to change any of the term times, please contact me four weeks before the end of the term before you need the change.

Because of the differences between the states, I will be working all public holidays except National Public Holidays and all lessons will be billed accordingly.

Studio Time Zone and Daylight Savings:

Due to the majority of my students being in the AEST (AEDT) region, I run the studio on this time zone. Students in states that do not observe daylight savings time will have to adjust their lesson times to suit the changes or look at another timeslot if available. It is up to you to contact me about any changes you may require.

Practice:

I expect all students to practice. No practice, no advancement. Five days a week is optimal, but I understand this is not always achievable. As a guide, for the very young, 5 to 10 minutes of supervised practice and for older students at least 20 to 30 minutes. I will set out what targets need to be achieved in the student's music diary.

For younger students, a parent or guardian needs to ensure the student is practicing regularly. If you are having trouble with this, please let me know and I can give you some suggestions or resources that may help.

Attendance:

When you start your lessons, your lesson time is allocated to you until you change that time (if other options are available), even for the next year. Please arrive on time or be waiting in the online meeting so you can get the most out of the lesson as I try to run to a strict time schedule.

If you need to speak to me, please do so in your lesson time or give me a call. If you need to speak to me in the lesson, please do not leave it until the lesson is over and please give me notice that you need to talk with me so we do not run over time, as I normally have the lesson planned out in advance.

I require 2 weeks notice to change your permanent lesson time (if other options are available). Please let me know as soon as you can if you need to change your time. I cannot guarantee that you will be able to get the time of your choosing, but I can always put you on a waiting list for that lesson time.

My Music Staff:

I use a program called My Music Staff to run my studio. This program has a student portal that students and parents can log into to see various information. I will send an email with a link to log in and to set your password.

The portal is where your lesson notes will be available for you to access. There is also a section to log practice.

Covid-19 policies and procedures for face to face lessons:

Everyone attending a lesson must be signed in using the appropriate government check in app and use the relevant QR code at the entry. I must sight that sign-in has been completed.

If either Victoria or New South Wales are placed into lockdown (depending on the location of lessons and the restrictions) all lessons will move to online and there will be no refund or makeup lesson offered if you decide not to take lessons online.

All lessons will be held on a digital piano due to Covid-19 cleaning requirements.

All students and anyone attending with the student will be required to wear a face mask. This is due to the fact we have a lot of trouble maintaining the 1.5m distance during lessons. This is for everyone's safety. If there is a medical reason for not wearing a face mask, please contact to discuss this with me.

If possible, only the student should attend the lesson. If someone needs to attend the lesson with the student, please try to limit it to one person and notify me the day before the lesson so I can ensure that safety measures are in place for everyone.

Students and persons attending lessons please wait in the car at the Bethanga Studio and wait at the room door of the Thurgoona Community Centre. I will come out to get you when it is your lesson time. This is to ensure that cleaning is completed from any previous lesson and there is no crossover with other students leaving.

All students and any persons attending a lesson with a student will be required to sanitise their hands before entering and upon leaving the premises.

Anyone who attends a lesson that is sick will be turned away and will not be offered a makeup lesson. If anyone is feeling sick before their lesson, please contact me as soon as you can and we will rebook you for an online lesson or a makeup lesson.

Anyone attending a lesson at the Bethanga Studia will be asked if they have been in a hotspot and have their temperature taken before entering the studio.

Anyone that attends a lesson understands that their details will be passed on to the appropriate authorities for contact tracing if there is a suspected case of Covid-19 and they have attended the suspected premises during the infectious timeframe.

All notes for students will be written in My Music Staff for them to access online when they get home. This is to minimise any chance of infection spread.
